Chapter 1

Abraham Joshua Heschel Quotes

A test of a people is how it behaves toward the old. It is easy to love children. Even tyrants and dictators make a point of being fond of children. But the affection and care for the old, the incurable, the helpless are the true gold mines of a culture.

Abraham Joshua Heschel

God is not a hypothesis derived from logical assumptions, but an immediate insight, self-evident as light. He is not something to be sought in the darkness with the light of reason. He is the light.

Abraham Joshua Heschel

When I was young, I admired clever people. Now that I am old, I admire kind people.

Abraham Joshua Heschel

Self-respect is the root of discipline: The sense of dignity grows with the ability to say no to oneself.

Abraham Joshua Heschel

Faith is not the clinging to a shrine but an endless pilgrimage of the heart.

Abraham Joshua Heschel

The beginning of our happiness lies in the understanding that life without wonder is not worth living.

Abraham Joshua Heschel

In a controversy, the instant we feel anger, we have already ceased striving for truth and have begun striving for ourselves.

Abraham Joshua Heschel

Racism is man's gravest threat to man--the maximum of hatred for a minimum of reason.

Abraham Joshua Heschel

Few are guilty, but all are responsible.

Abraham Joshua Heschel

We can never sneer at the stars, mock the dawn, or scoff at the totality of being.

Abraham Joshua Heschel

Our goal should be to live life in radical amazement. Get up in the morning and look at the world in a way that takes nothing for granted. Everything is phenomenal; everything is incredible; never treat life casually. To be spiritual is to be amazed.

Abraham Joshua Heschel

Prayer begins at the edge of emptiness.

Abraham Joshua Heschel

I would say about individuals, A Individual dies when they cease to to be surprised. I am surprised every morning when I see the sunshine again. When I see an act of evil I don't

accommodate, I don't accommodate myself to the violence that goes on everywhere. I am still so surprised! That is why I am against it. We must learn to be surprised.

Abraham Joshua Heschel

God is either of no importance, or of supreme importance.

Abraham Joshua Heschel

To pray is to dream in league with God, to envision His holy visions.

Abraham Joshua Heschel

The true meaning of existence is disclosed in moments of living in the presence of God.

Abraham Joshua Heschel

Remember that there is meaning beyond absurdity. Know that every deed counts, that every word is power. Above all, remember that you must build your life as if it were a work of art.

Abraham Joshua Heschel

The problem to be faced is: how to combine loyalty to one's own tradition with reverence for different traditions.

Abraham Joshua Heschel

Chapter 2

Aldous Huxley Quotes

A bad book is as much of a labor to write as a good one, it comes as sincerely from the author's soul.

Aldous Huxley

A belief in hell and the knowledge that every ambition is doomed to frustration at the hands of a skeleton have never prevented the majority of human beings from behaving as though death were no more than an unfounded rumor.

Aldous Huxley

A child-like man is not a man whose development has been arrested; on the contrary, he is a man who has given himself a chance of continuing to develop long after most adults have muffled themselves in the cocoon of middle-aged habit and convention.

Aldous Huxley

A democracy which makes or even effectively prepares for modern, scientific war must necessarily cease to be democratic. No country can be really well prepared for modern war unless it is governed by a tyrant, at the head of a highly trained and perfectly obedient bureaucracy.

Aldous Huxley

A fanatic is a man who consciously over compensates a secret doubt.

Aldous Huxley

Facts do not cease to exist because they are ignored.

Aldous Huxley

An intellectual is a person who has discovered something more interesting than sex.

Aldous Huxley

The more powerful and original a mind, the more it will incline towards the religion of solitude.

Aldous Huxley

That men do not learn very much from the lessons of history is the most important of all the lessons that history has to teach.

Aldous Huxley

You shall know the truth and the truth shall make you mad.

Aldous Huxley

Those who believe that they are exclusively in the right are generally those who achieve something.

Aldous Huxley

Habit converts luxurious enjoyments into dull and daily necessities.

Aldous Huxley

Too much consistency is as bad for the mind as it is for the body. Consistency is contrary to nature, contrary to life. The only completely consistent people are the dead. Consistent intellectualism and spirituality may be socially valuable, up to a point; but they make, gradually, for individual death.

Aldous Huxley

Facts are ventriloquists' dummies. Sitting on a wise man's knee they may be made to utter words of wisdom; elsewhere, they say nothing, or talk nonsense, or indulge in sheer diabolism.

Aldous Huxley

Most human beings have an almost infinite capacity for taking things for granted.

Aldous Huxley

At least two thirds of our miseries spring from human stupidity, human malice, and those great motivators and justifiers of malice and stupidity, idealism, dogmatism and proselytizing zeal on behalf of religious or political idols.

Aldous Huxley

A man may be a pessimistic determinist before lunch and an optimistic believer in the will's freedom after it.

Aldous Huxley

Morality is always the product of terror; its chains and strait-waistcoats are fashioned by those who dare not trust others, because they dare not trust themselves, to walk in liberty.

Aldous Huxley

Chapter 3

Albert Einstein Quotes

Nothing happens until something moves.

Albert Einstein

Sometimes one pays most for the things one gets for nothing.

Albert Einstein

Strange is our situation here upon earth. Each of us comes for a short visit, not knowing why, yet sometimes seeming to divine a purpose. From the standpoint of daily life, however, there is one thing we do know, that man is here for the sake of other men.

Albert Einstein

The most beautiful thing we can experience is the mysterious.

Albert Einstein

Possessions, outward success, publicity, luxury: to me these have always been contemptible. I believe that a simple and unassuming manner of life is best for everyone, best both for the body and the mind.

Albert Einstein

Anger dwells only in the bosom of fools.

Albert Einstein

If most of us are ashamed of shabby clothes and shoddy furniture, let us be more ashamed of shabby ideas and shoddy philosophies. . . It would be a sad situation if the wrapper were better than the meat wrapped inside it.

Albert Einstein

Problems cannot be solved by the same level of thinking that created them.

Albert Einstein

The secret to creativity is knowing how to hide your sources.

Albert Einstein

Learn from yesterday, live for today, hope for tomorrow. The important thing is to not stop questioning.

Albert Einstein

Chapter 4

Anthony Robbins Quotes

You see, in life, lots of people know what to do, but few people actually do what they know. Knowing is not enough! You must take action.

Anthony Robbins

Put yourself in a state of mind where you say to yourself, 'Here is an opportunity for you to celebrate like never before, my own power, my own ability to get myself to do whatever is necessary'.

Anthony Robbins

Passion is the genesis of genius.

Anthony Robbins

Once you have mastered time, you will understand how true it is that most people overestimate what they can accomplish in a year and underestimate what they can achieve in a decade!

Anthony Robbins

The higher your energy level, the more efficient your body. The more efficient your body, the better you feel and the more you will use your talent to produce outstanding results.

Anthony Robbins

Quality questions create a quality life. Successful people ask better questions, and as a result, they get better answers.

Anthony Robbins

Life is a gift, and it offers us the privilege, opportunity, and responsibility to give something back by becoming more.

Anthony Robbins

Let fear be a counsellor and not a jailer.

Anthony Robbins

It is in your moments of decision that your destiny is shaped.

Anthony Robbins

When you are grateful fear disappears and abundance appears.

Anthony Robbins

Chapter 5

Carl Gustav Jung Quotes

Everything that irritates us about others can lead us to an understanding of ourselves.

Carl Gustav Jung

Follow that will and that way which experience confirms to be your own.

Carl Gustav Jung

Your vision will become clear only when you look into your heart. Who looks outside, dreams. Who looks inside, awakens.

Carl Gustav Jung

If one does not understand a person, one tends to regard him as a fool.

Carl Gustav Jung

It is on the whole probably that we continually dream, but that consciousness makes such a noise that we do not hear it.

Carl Gustav Jung

We cannot change anything until we accept it. Condemnation does not liberate, it oppresses.

Carl Gustav Jung

If there is anything we wish to change in the child, we should first examine it and see whether it is not something that could better be changed in ourselves.

Carl Gustav Jung

Through pride we are ever deceiving ourselves. But deep down below the surface of the average conscience a still, small voice says to us, 'Something is out of tune.'

Carl Gustav Jung

Nobody, as long as he moves about among the currents of life, is without trouble.

Carl Gustav Jung

An understanding heart is everything in a teacher, and cannot be esteemed highly enough. One looks back with appreciation to the brilliant teachers, but with gratitude to those who touched our human feeling. The curriculum is so much necessary raw material, but warmth is the vital element for the growing plant and for the soul of the child.

Carl Gustav Jung

Every form of addiction is bad, no matter whether the narcotic be alcohol or morphine or idealism.

Carl Gustav Jung

Often the hands will solve a mystery that the intellect has struggled with in vain.

Carl Gustav Jung

The images of the unconscious place a great responsibility upon a man. Failure to understand them, or a shirking of ethical responsibility, deprives him of his wholeness and imposes a painful fragmentariness on his life.

Carl Gustav Jung

Follow that way which experience confirms to be your own.

Carl Gustav Jung

Your vision will become clear when you look into your heart. Who looks inside, awakens.

Carl Gustav Jung

The most we can do is dream the myth onwards and give it a modern dress.

Carl Gustav Jung

The encounter with the creature changes the creator.

Carl Gustav Jung

In our most private and most subjective lives we are not only the passive witnesses of our age and its sufferers, but also its co-makers.

Carl Gustav Jung

Less hypocrisy and a little more tolerance towards oneself can only have good results in respect for our neighbour; for we are all too prone to transfer to our fellows the injustice and violence we inflict upon our own natures.

Carl Gustav Jung

Chapter 6

Dale Carnegie Quotes

It isn't what you have, or who you are, or where you are, or what you are doing that makes you happy or unhappy. It is what you think about.

Dale Carnegie

Are you bored with life? Then throw yourself into some work you believe in with all your heart, live for it, die for it, and you will find happiness that you had thought could never be yours.

Dale Carnegie

Most of the important things in the world have been accomplished by people who have kept on trying when there seemed to be no hope at all.

Dale Carnegie

Inaction breeds doubt and fear. Action breeds confidence and courage. If you want to conquer fear, do not sit home and think about it. Go out and get busy.

Dale Carnegie

Take a chance! All life is a chance. The man who goes farthest is generally the one who is willing to do and dare.

Dale Carnegie

Any fool can criticize, condemn, and complain but it takes character and self control to be understanding and forgiving.

Dale Carnegie

Don't be afraid to give your best to what seemingly are small jobs. Every time you conquer one it makes you that much stronger. If you do the little jobs well, the big ones will tend to take care of themselves.

Dale Carnegie

Act enthusiastic and you will be enthusiastic.

Dale Carnegie

The successful man will profit from his mistakes and try again in a different way.

Dale Carnegie

One of the most tragic things I know about human nature is that all of us tend to put off living. We are all dreaming of some magical rose garden over the horizon-instead of enjoying the roses blooming outside our windows today.

Dale Carnegie

Chapter 7

Daniel C. Matt Quotes

Ayin, nothingness, is more existent than all the being of the world. But since it is simple, and every simple thing is complex compared with its simplicity, it is called Ayin. The inner power is called Ayin because thought does not grasp it, nor reflection. Concerning this, Job said, Wisdom comes into being out of Ayin.

Daniel C. Matt

All conceptual entanglement among human beings and all the inner, mental conflicts suffered by each individual result solely from our cloudy concept of the divine. All thoughts, whether practical or theoretical, flow out of the endless divine ocean and return there.

Daniel C. Matt

The greatest impediment to the human spirit results from the fact that the conception of God is fixed in a particular form, due to childish habit and imagination. This is a spark of the defect of idolatry, of which we must always beware.

Daniel C. Matt

The essence of faith is an awareness of the vastness of Infinity. Whatever conception of it enters the mind is an absolutely negligible speck in comparison to what should be conceived, and what should be conceived is no less negligible compared to what it really is.

Daniel C. Matt

Every definition of God leads to heresy; definition is spiritual idolatry. Even attributing mind and will to God, even attributing divinity itself, and the name God - these, too, are definitions. Were it not for the subtle awareness that all these are just sparkling flashes of that which transcends definition-these, too, would engender heresy.

Daniel C. Matt

The infinite transcends every particular content of faith.

Daniel C. Matt

All the troubles of the world, especially spiritual troubles such as impatience, hopelessness, and despair, derive from the failure to see the grandeur of God clearly.

Daniel C. Matt

God is a name we give to the oneness of it all

Daniel C. Matt

An infant makes no clear distinction between subject and object, between itself and the external world. In its primal state of being there is no defined center of self.

Daniel C. Matt

Our experience of consciousness is subjective; yet it is a physical property, a biological feature, of the brain.

Daniel C. Matt

We have learned to imagine that at our core there is a separate, conscious entity, but this is a fiction, a wondrous and necessary fiction, a constructed feature of our mental landscape.

Daniel C. Matt

The ego is a marvellous fiction, a necessary illusion. We don't really possess it; we are possessed by it. Not having one is unimaginable, an unbearable thought. If selves did not exist, anarchy and madness would rush in to fill the vacuum.

Daniel C. Matt

I am a unique creation; yet my most basic physical substance, my quarks and atoms are identical with the substance of an antelope, a redwood, a distant star.

Daniel C. Matt

God is right here, in this very moment, fresh and unexpected, taking you by surprise.

Daniel C. Matt

Though some shine brighter than others, compared to the first light they are all the same, all deriving from that one source. The first light and all the others are, in effect, incomparable. Nor can their priority compare with its, for it surpasses them; their energy emanates from it. No change takes place in it - the energy of emanation simply manifests through differentiation.

Daniel C. Matt

Anything visible, and anything that can be grasped by thought, is bounded. Anything bounded is finite. Anything finite is undifferentiated. Conversely, the boundless is called Ein Sof, Infinite. Since it is boundless, there is nothing outside of it. Since it transcends and conceals itself, it is the essence of everything hidden and revealed. Since it is concealed, it is the root of faith and the root of rebellion.

Daniel C. Matt

We cannot function in this world without names and labels, yet we cannot perceive all that is there, if we remain entranced by names.

Daniel C. Matt

To experience the divine, we need to leave names and images aside. We must renounce the idolatry of worshiping the image, of worshiping the name. On the threshold, we are challenged to let go of words, to attune ourselves to qol demamah daqah, the sound of sheer silence

Daniel C. Matt

The ego and its personal God are interdependent, mutually reinforcing. If I am a self, I need a personal God. Such a God anchors me, convinces me of my self.

Daniel C. Matt

Chapter 8

Dan Millman Quotes

There is no path to Happiness. Happiness is the path. There is no path to Love. Love is the path. There is no path to Peace. Peace is the path.

Dan Millman

The journey is what brings us happiness not the destination.

Dan Millman

A warrior does not give up what he loves, he finds the love in what he does.

Dan Millman

Faith means living with uncertainty - feeling your way through life, letting your heart guide you like a lantern in the dark.

Dan Millman

If you don't get what you want, you suffer; if you get what you don't want, you suffer; even when you get exactly what you want, you still suffer because you can't hold on to it forever. Your mind is your predicament. It wants to be free of change. Free of pain, free of the obligations of life and death. But change is a law, and no amount of pretending will alter that reality.

Dan Millman

It may be true that the unexamined life is not worth living—but neither is the unlive life worth examining.

Dan Millman

To be authentic literally means to be your own author.

Dan Millman

When we feel stuck, going nowhere--even starting to slip backward--we may actually be backing up to get a running start.

Dan Millman

Willpower is the key to success. Successful people strive no matter what they feel by applying their will to overcome apathy, doubt or fear.

Dan Millman

Money is neither my god nor my devil. It is a form of energy that tends to make us more of who we already are, whether it's greedy or loving.

Dan Millman

I learned that we can do anything, but we can't do everything... at least not at the same time. So think of your priorities not in terms of what activities you do, but when you do them.

Timing is everything.

Dan Millman

Your fears are not walls, but hurdles. Courage is not the absence of fear, but the conquering of it.

Dan Millman

The first step to change is accepting your reality right now. Honouring your process. Compassionate self-awareness leads to change; harsh self-criticism only holds the pattern in place, creating a stubborn and defensive Basic Self. Be gentle with yourself as you would with a child. Be gentle but firm. Give yourself the space to grow. But remember that the timing is in God's hands, not yours.

Dan Millman

When you become fully responsible for your life, you can become fully human; once you become human, you may discover what it means to be a warrior.

Dan Millman

If we agree on everything, only one of us is necessary.

Dan Millman

The time is now, the place is here. Stay in the present. You can do nothing to change the past, and the future will never come exactly as you plan or hope for.

Dan Millman

You're a prisoner of your own illusions - about yourself and about the world.

Dan Millman

Life is not a private affair. A story and its lessons are only made useful if shared.

Dan Millman

Life is the only real teacher. It offers many experiences....But the lessons of experience are hidden.

Dan Millman

Chapter 9

Don Miguel Ruiz Quotes

Be impeccable with your word-Speak with integrity. Say only what you mean. Avoid using the word to speak against yourself or to gossip about others. Use the power of your word in the direction of truth and love.

Don Miguel Ruiz

Don't take anything personally-Nothing others do is because of you. What others say and do is a projection of their own reality, their own dream. When you are immune to the opinions and actions of others, you won't be the victim of needless suffering.

Don Miguel Ruiz

Don't make assumptions-Find the courage to ask questions and to express what you really want. Communicate with others as clearly as you can to avoid misunderstandings, sadness and drama. With just this one agreement, you can completely transform your life.

Don Miguel Ruiz

Always do your best-Your best is going to change from moment to moment; it will be different when you are healthy as opposed to sick. Under any circumstance, simply do your best and you will avoid self-judgment, self-abuse and regret.

Don Miguel Ruiz

God is life. God is life in action. The best way to say, I love you, God, is to live your life doing your best.

Don Miguel Ruiz

The best way to say, Thank you, God, is by letting go of the past and living in the present moment, right here and now.

Don Miguel Ruiz

Whatever life takes away from you, let it go. When you surrender and let go of the past, you allow yourself to be fully alive in the moment. Letting go of the past means you can enjoy the dream that is happening right now.

Don Miguel Ruiz

True justice is paying only once for each mistake. True injustice is paying more than once for each mistake.

Don Miguel Ruiz

The real mission you have in life is to make yourself happy, and in order to be happy, you have to look at what you believe, the way you judge yourself, the way you victimize yourself

Don Miguel Ruiz

Find yourself and express yourself in your own particular way. Express your love openly. Life is nothing but a dream, and if you create your life with love, your dream becomes a masterpiece of art.

Don Miguel Ruiz

Accept your own divinity. Everything is a manifestation of God. When you know that, the power that is LIFE is inside you, you accept your own divinity, and yet you are humble, because you see that see the same divinity in everyone else.

Don Miguel Ruiz

The best path to happiness is learning to change as rapidly as life does.

Don Miguel Ruiz

Be aware that even if you meant your words as honey, other people can turn what you said into poison.

Don Miguel Ruiz

All around the world, people believe that there is a great conflict between good and evil. Well, it's true that there's a conflict, but it only exists in the human mind.

Don Miguel Ruiz

We search for everything we believe we don't have, not knowing that everything we are looking for is already inside us. We are born with it.

Don Miguel Ruiz

It is when we lose control that we repress the emotions, not when we are in control.

Don Miguel Ruiz

You can have many great ideas in your head, but what makes the difference is the action. Without action upon an idea, there will be no manifestation, no results, and no reward

Don Miguel Ruiz

People are starving for love, not knowing their heart is a magical kitchen. Open your heart. Open your magical kitchen and refuse to walk around the world begging for love. In your heart is all the love you need. Your heart can create any amount of love, not just for yourself, but for the whole world.

Don Miguel Ruiz

Humans are born in truth, but we grow up believing in lies. One of the biggest lies in the story of humanity is the lie of our imperfection.

Don Miguel Ruiz

Chapter 10

Epictetus Quotes

In order to please others, we lose our hold on our life's purpose.

Epictetus

God has entrusted me with myself.

Epictetus

There is only one way to happiness and that is to cease worrying about things which are beyond the power of our will.

Epictetus

There is only one way to happiness and that is to cease worrying about things which are beyond the power or our will.

Epictetus

Circumstances don't make the man, they only reveal him to himself.

Epictetus

Man is not worried by real problems so much as by his imagined anxieties about real problems

Epictetus

Attach yourself to what is spiritually superior, regardless of what other people think or do. Hold to your true aspirations no matter what is going on around you.

Epictetus

Any person capable of angering you becomes your master; he can anger you only when you permit yourself to be disturbed by him.

Epictetus

To a reasonable creature, that alone is insupportable which is unreasonable; but everything reasonable may be supported.

Epictetus

Reason is not measured by size or height, but by principle.

Epictetus

No great thing is created suddenly, any more than a bunch of grapes or a fig. If you tell me that you desire a fig, I answer you that there must be time. Let it first blossom, then bear fruit, then ripen.

Epictetus

Control thy passions, lest they take vengeance on thee.

Epictetus

The good or ill of a man lies within his own will.

Epictetus

If you do not wish to be prone to anger, do not feed the habit; give it nothing which may tend to its increase.

Epictetus

Difficulties are things that show what men are.

Epictetus

You also must show the unlearned man the truth, and you will see that he will follow. But so long as you do not show it him, you should not mock, but rather feel your own incapacity.

Epictetus

All philosophy lies in two words, sustain and abstain.

Epictetus

Be careful to leave your sons well instructed rather than rich, for the hopes of the instructed are better than the wealth of the ignorant.

Epictetus

First learn the meaning of what you say, and then speak.

Epictetus

Chapter 11

Hermann Hesse Quotes

If you hate a person, you hate something in him that is part of yourself. What isn't part of ourselves doesn't disturb us.

Hermann Hesse

Words do not express thoughts very well. They always become a little different immediately after they are expressed, a little distorted, a little foolish.

Hermann Hesse

Three things cannot hide for long: the Moon, the Sun and the Truth.

Hermann Hesse

Some of us think holding on makes us strong but sometimes it is letting go

Hermann Hesse

When you like someone, you like them in spite of their faults. When you love someone, you love them with their faults

Hermann Hesse

I have always been a great dreamer. In dreams I have always been more active than in my real life, and these shadows sapped me of my health and energy.

Hermann Hesse

When dealing with the insane, the best method is to pretend to be sane.

Hermann Hesse

What could I say to you that would be of value, except that perhaps you seek too much, that as a result of your seeking you cannot find.

Hermann Hesse

There's no reality except the one contained within us. That's why so many people live an unreal life. They take images outside them for reality and never allow the world within them to assert itself.

Hermann Hesse

I have always believed, and I still believe, that whatever good or bad fortune may come our way we can always give it meaning and transform it into something of value.

Hermann Hesse

People with courage and character always seem sinister to the rest.

Hermann Hesse

Knowledge can be communicated, but not wisdom. One can find it, live it, be fortified by it, do wonders through it, but one cannot communicate and teach it.

Hermann Hesse

When someone is seeking, it happens quite easily that he only sees the thing that he is seeking; that he is unable to find anything, unable to absorb anything ... because he is

obsessed with his goal. Seeking means: to have a goal; but finding means: to be free, to be receptive, to have no goal.

Hermann Hesse

If a man has nothing to eat, fasting is the most intelligent thing he can do.

Hermann Hesse

Happiness is a how; not a what. A talent, not an object.

Hermann Hesse

Only the ideas that we really live have any value.

Hermann Hesse

Each man had only one genuine vocation - to find the way to himself. His task was to discover his own destiny - not an arbitrary one - and to live it out wholly and resolutely within himself. Everything else was only a would-be existence, an attempt at evasion, a flight back to the ideals of the masses, conformity and fear of one's own inwardness.

Hermann Hesse

You are only afraid if you are not in harmony with yourself. People are afraid because they have never owned up to themselves. A whole society composed of men afraid of the unknown within them!

Hermann Hesse

Thousands of candles can be lighted from a single candle, and the life of the candle will not be shortened. Happiness never decreases by being shared.

Hermann Hesse

Chapter 12

James Redfield Quotes

Dreams come to tell us something about our lives that we are missing

James Redfield

We can become inspired to shape a higher, more ideal future, and when we do, miracles happen.

James Redfield

Each of us is the next step in evolution along the lineage created by our two parents. Our higher purpose on earth can be found by recognizing what our parents accomplished and where they left off. By reconciling what they gave us with what they left us to resolve, we can get a clear picture of who we are and what we are meant to do.

James Redfield

Knowing our personal mission further enhances the flow of mysterious coincidences as we are guided toward our destinies. First we have a question, then dreams, daydreams, and intuitions lead us toward the answers, which usually are synchronistically provided by the wisdom of another human being.

James Redfield

By seeing the beauty in every face we lift others into their wisest self and increase the chances of hearing a synchronistic message.

James Redfield

We can increase the frequency of guiding coincidences by uplifting every person that comes into our lives. Care must be taken not to lose our inner connection in romantic relationships.

James Redfield

If we knock on the door until it opens, not taking no for an answer, our lives will be transformed as we step up into a higher awareness.

James Redfield

Prayer power is real. By putting it into action, we will be able to stay more constantly in higher awareness than ever before. If we can do that, the world will quickly change.

James Redfield

Remember to stop as often as necessary to re-connect your energy. Stay full, stay in a state of love. Remember that once you achieve the state of love, nothing nor anyone can pull more energy from you that you can replace. In fact, the energy flowing out of you creates a current that pulls energy into you at the same rate. You can never run out. But you must stay conscious of this process in order for it to work. This is especially important when you interact with people.

James Redfield

In other words we humans seek to outwit and control each other not just because of some tangible goal in the outside world that we're trying to achieve, but because of a lift we get psychologically. This is the reason we see so many irrational conflicts in the world both at the individual level and the level of nations.

James Redfield

Once you learn what life is about, there is no way to erase the knowledge. If you try to do something else with your life you will always sense that you are missing something.

James Redfield

Life is really about a spiritual unfolding that is personal and enchanting an unfolding that no science or philosophy or religion has yet fully clarified.

James Redfield

The awareness begins with a feeling of restlessness an inner urging to find more meaning in life. As we respond to this inner prompting we begin to notice the chance coincidences strange synchronistic events in our life. We begin to realize that some underlying process is operating our life.

James Redfield

When we dislike someone, or feel threatened by someone, the natural tendency is to focus on something we dislike about the person, something that irritates us. Unfortunately, when we do this--instead of seeing the deeper beauty of the person and giving them energy--we take energy away and actually do them harm. All they know is that they suddenly feel less beautiful and less confident, and it is because we sapped their energy.

James Redfield

The human perception of this energy first begins with a heightened sensitivity to beauty.

James Redfield

Apparently, before we are born, each of us experiences a vision of what our life can be, complete with reflections on our parents and our tendencies to engage in particular control dramas, even how we might work through these dramas with these parents and go on to be prepared for what we want to accomplish.

James Redfield

We know that after death, we have to look at our lives again; and we're going to agonize over every missed opportunity, over every case in which we failed to act.

James Redfield

We must assume every event has significance and contains a message that pertains to our questions...this especially applies to what we used to call bad things...the challenge is to find the silver lining in every event, no matter how negative.

James Redfield

We humans have always sought to increase our personal energy in the only manner we have known, by seeking to psychologically steal it from the others--an unconscious competition that underlies all human conflict in the world.

James Redfield

Napoleon Hill Quotes

Don't wait. The time will never be just right.

Napoleon Hill

Desire is the starting point of all achievement, not a hope, not a wish, but a keen pulsating desire which transcends everything.

Napoleon Hill

Effort only fully releases its reward after a person refuses to quit.

Napoleon Hill

The most common cause of fear of old age is associated with the possibility of poverty.

Napoleon Hill

Failure is nature's plan to prepare you for great responsibilities.

Napoleon Hill

Fears are nothing more than a state of mind.

Change your thoughts, and you change your world.

Norman Vincent Peale

Whenever a negative thought concerning your personal power comes to mind, deliberately voice a positive one to cancel it out.

Norman Vincent Peale

The Gateway to Christianity is not through an intricate labyrinth of dogma, but by a simple belief in the person of Christ.

Norman Vincent Peale

Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful.

Norman Vincent Peale

Enthusiasm releases the drive to carry you over obstacles and adds significance to all you do.

Norman Vincent Peale

The more you lose yourself in something bigger than yourself, the more energy you will have.

Norman Vincent Peale

One of the greatest moments in anybody's developing experience is when he no longer tries to hide from himself but determines to get acquainted with himself as he really is.

Norman Vincent Peale

Know that you yourself are a miracle.

Norman Vincent Peale

The trouble with most of us is that we would rather be ruined by praise than saved by criticism.

Norman Vincent Peale

Live your life and forget your age.

Chapter 15

Plato Quotes

The beginning is the most important part of the work.

Plato

Someday, in the distant future, our grandchildren's grandchildren will develop a new equivalent of our classrooms. They will spend many hours in front of boxes with fires glowing within. May they have the wisdom to know the difference between light and knowledge.

Plato

Courage is knowing what not to fear.

Plato

Be kind, for everyone you meet is fighting a harder battle.

Plato

This I know, that I know nothing.

Plato

Life must be lived as play.

Plato

The greatest wealth is to live content with little.

Plato

Every heart sings a song, incomplete, until another heart whispers back. Those who wish to sing always find a song. At the touch of a lover, everyone becomes a poet.

Plato

Necessity is the mother of invention.

Plato

Let parents bequeath to their children not riches, but the spirit of reverence.

Ram Dass Quotes

We're all just walking each other home.

Ram Dass

The quieter you become, the more you can hear.

Ram Dass

We're fascinated by the words--but where we meet is in the silence behind them.

Ram Dass

It is important to expect nothing, to take every experience, including the negative ones, as merely steps on the path, and to proceed.

Ram Dass

As long as you have certain desires about how it ought to be you can't see how it is.

Ram Dass

The most exquisite paradox as soon as you give it all up, you can have it all. As long as you want power, you can't have it. The minute you don't want power, you'll have more than you ever dreamed possible.

Ram Dass

Your problem is you're too busy holding onto your unworthiness.

Ram Dass

The game is not about becoming somebody, it's about becoming nobody.

Ram Dass

If you think you're free, there's no escape possible.

Ram Dass

I'm not interested in being a lover. I'm interested in only being love.

Ram Dass

Everything changes once we identify with being the witness to the story, instead of the actor in it.

Ram Dass

The next message you need is always right where you are.

Ram Dass

We are all affecting the world every moment, whether we mean to or not. Our actions and states of mind matter, because we are so deeply interconnected with one another.

Ram Dass

In most of our human relationships, we spend much of our time reassuring one another that our costumes of identity are on straight.

Ram Dass

Let's trade in all our judging for appreciating. Let's lay down our righteousness and just be together.

Ram Dass

The heart surrenders everything to the moment. The mind judges and holds back.

Ram Dass

Healing does not mean going back to the way things were before, but rather allowing what is now to move us closer to God.

Ram Dass

Information is just bits of data. Knowledge is putting them together. Wisdom is transcending them.

Ram Dass

The resistance to the unpleasant situation is the root of suffering.

Chapter 17

Richard Bach Quotes

Can miles truly separate you from friends? If you want to be with someone you love, aren't you already there?

Richard Bach

Your friends will know you better in the first minute you meet than your acquaintances will know you in a thousand years.

Richard Bach

Every person, all the events of your life are there because you have drawn them there. What you choose to do with them is up to you.

Richard Bach

The bond that links your true family is not one of blood, but of respect and joy in each other's life. Rarely do members of one family grow up under the same roof.

Richard Bach

You're never given a dream without also being given the power to make it true.

Richard Bach

The worst lies are the lies we tell ourselves. We live in denial of what we do, even what we think. We do this because we're afraid. We fear we will not find love, and when we find it we fear we'll lose it. We fear that if we do not have love we will be unhappy.

Richard Bach

Don't believe what your eyes are telling you. All they show is limitation. Look with your understanding, find out what you already know, and you'll see the way to fly.

Richard Bach

To fly as fast as thought, you must begin by knowing that you have already arrived.

Richard Bach

Get this in mind early: We never grow up

Richard Bach

Learning is finding out what you already know. Doing is demonstrating that you know it. Teaching is reminding others that they know just as well as you.

Richard Bach

You teach best what you most need to learn.

Richard Bach

With every choice you risk the life you would have had; with every decision, you lose it.

Richard Bach

Happiness is the reward we get for living to the highest right we know.

Richard Bach

The best way to pay for a lovely moment is to enjoy it.

Richard Bach

The only thing that shatters dreams is compromise.

Richard Bach

There are no mistakes. The events we bring upon ourselves, no matter how unpleasant, are necessary in order to learn what we need to learn; whatever steps we take, they're necessary to reach the places we've chosen to go.

Richard Bach

Allow the world to live as it chooses, and allow yourself to live as you choose.

Richard Bach

Argue for your limitations, and sure enough they're yours.

Richard Bach

Ask yourself the secret of your success. Listen to your answer, and practice it.

Richard Bach

Chapter 18

Richard Maurice Bucke Quotes

All things, man included, are parts of one great whole.

Richard Maurice Bucke

Man reacts upon and toward the external universe in three ways, namely, by his active nature; by his intellectual nature; by his moral nature — that is, he acts upon it, thinks about it, and feels toward it.

Richard Maurice Bucke

It is alone that part of the external universe which we call material which acts on man through his senses — that part of which we ordinarily feel our knowledge to be the surest; but in reality, strangely enough, as will soon appear, this is one of the aspects of the external world, of which we can know nothing.

Richard Maurice Bucke

Our descendants will sooner or later reach, as a race, the condition of cosmic consciousness, just as, long ago, our ancestors passed from simple consciousness into self consciousness.

Richard Maurice Bucke

Only a personal experience of it, or a prolonged study of men who have passed into the new life, will enable us to realize what this actually is; but it has seemed to the present writer that to pass in review, even briefly and imperfectly, instances in which the condition in question has existed would be worthwhile.

Richard Maurice Bucke

The life is not in believing there is a divinity somewhere, but in knowing it. To know the Word of the Truth, and to have its spirit generated in the mind and heart, is to have its pure offspring—it's Son--begotten within, consciously crying Father with certitude.

Richard Maurice Bucke

This reveals the boundless radiance of the infinite face of the real Divinity, beaming on him who sees it its equipoise of Mercy and Truth

Richard Maurice Bucke

It is not our eyes or ears, nor even our intellects, that report the world to us; but it is our own moral nature that settles at last the significance of what exists about us. In all respects each age has interpreted the universe for itself, and has more or less discredited the interpretations of previous ages.

Richard Maurice Bucke

By virtue of this faculty man is not only conscious of trees, rocks, waters, his own limbs and body, but he becomes conscious of himself as a distinct entity apart from all the rest of the universe.

Richard Maurice Bucke

Along with the consciousness of the cosmos there occurs an intellectual enlightenment or illumination which alone would place the individual on a new plane of existence would make him almost a member of a new species. To this is added a state of moral exaltation, an

indescribable feeling of elevation, elation and joyousness, and a quickening of the moral sense, which is fully as striking and more important both to the individual and to the race than is the enhanced intellectual power.

Richard Maurice Bucke

With these come, what may be called, a sense of immortality, a consciousness of eternal life, not a conviction that he shall have this, but the consciousness that he has it already.

Richard Maurice Bucke

Chapter 19

Robert M. Pirsig Quotes

Quality is a direct experience independent of and prior to intellectual abstractions.
Robert M. Pirsig

The only Zen you can find on the tops of mountains is the Zen you bring up there.
Robert M. Pirsig

The place to improve the world is first in one's own heart and head and hands.
Robert M. Pirsig

The solutions all are simple - after you have arrived at them. But they're simple only when you know already what they are.
Robert M. Pirsig

The truth knocks on the door and you say, go away, I'm looking for the truth, and it goes away. Puzzling.
Robert Pirsig

When one person suffers from a delusion, it is called insanity. When many people suffer from a delusion it is called a Religion.
Robert Pirsig

For every fact there is an infinity of hypotheses.
Robert Pirsig

Sometimes it's a little better to travel than to arrive
Robert Pirsig

The pencil is mightier than the pen.
Robert Pirsig

The real cycle you're working on is a cycle called yourself.
Robert Pirsig

To live for some future goal is shallow. It's the sides of the mountain that sustain life, not the top.
Robert Pirsig

Quality is a direct experience independent of and prior to intellectual abstractions.
Robert Pirsig

We're in such a hurry most of the time we never get much chance to talk. The result is a kind of endless day-to-day shallowness, a monotony that leaves a person wondering years later where all the time went and sorry that it's all gone.
Robert Pirsig

You look at where you're going and where you are and it never makes sense, but then you look back at where you've been and a pattern seems to emerge. And if you project forward from that pattern, then sometimes you can come up with something.

Robert Pirsig

When you look directly at an insane man all you see is a reflection of your own knowledge that he's insane, which is not to see him at all.

Robert Pirsig

It took me more than a week to deduce from the evidence around me that everything before my waking up was a dream and everything afterward was reality.

Robert Pirsig

They had made the mistake of thinking of a personality as some sort of possession, like a suit of clothes, which a person wears. But apart from a personality what is there? Some bones and flesh. A collection of legal statistics, perhaps, but surely no person. The bones and flesh and legal statistics are the garments worn by the personality, not the other way around.

Robert Pirsig

We keep passing unseen through little moments of other people's lives.

Robert Pirsig

It's the sides of the mountain which sustain life, not the top.

Robert Pirsig

Chapter 20

Stephen R. Covey Quotes

The way we see the problem is the problem.

Stephen R. Covey

It's incredibly easy to get caught up in an activity trap, in the business of life, to work harder and harder at climbing the ladder of success only to discover it's leaning against the wrong wall.

Stephen R. Covey

While we are free to choose our actions, we are not free to choose the consequences of our actions.

Stephen R. Covey

Live out of your imagination, not your history.

Stephen R. Covey

Every human has four endowments- self-awareness, conscience, independent will and creative imagination. These give us the ultimate human freedom... The power to choose, to respond, to change.

Stephen R. Covey

Happiness can be defined, in part at least, as the fruit of the desire and ability to sacrifice what we want now for what we want eventually.

Stephen R. Covey

Management is efficiency in climbing the ladder of success; leadership determines whether the ladder is leaning against the right wall.

Stephen R. Covey

We are not human beings on a spiritual journey. We are spiritual beings on a human journey.

Stephen R. Covey

Effective leadership is putting first things first. Effective management is discipline, carrying it out.

Stephen R. Covey

In the last analysis, what we are communicating far more eloquently than anything we say or do.

Stephen R. Covey

Chapter 21

Vincent Van Gogh Quotes

I see drawings and pictures in the poorest of huts and the dirtiest of corners.

Vincent Van Gogh

I can't change the fact that my paintings don't sell. But the time will come when people will recognize that they are worth more than the value of the paints used in the picture.

Vincent Van Gogh

I consciously choose the dog's path through life. I shall be poor; I shall be a painter.

Vincent Van Gogh

Thank God, I have my work, but instead of earning money by it, I need money to be able to work; that is the difficulty. I think there are no signs in my work that indicate that I shall fail. And I am not a person who works slowly or tamely. Drawing becomes a passion with me, and I throw myself into it more and more. I do not have great plans for the future; if for a moment I feel rising within me the desire for a life without care, for prosperity, each time I go fondly back to the trouble and the cares, to a life full of hardship, and think It is better so; I learn more from it, and make progress. This is not the road on which one perishes. I only hope the trouble and the cares will not become unbearable, and I have confidence I shall succeed in earning enough to keep myself, not in luxury, but as one who eats his bread in the sweat of his brow.

Vincent Van Gogh

To believe in God for me is to feel that there is a God, not a dead one, or a stuffed one, but a living one, who with irresistible force urges us towards more loving.

Vincent Van Gogh

What would life be if we had no courage to attempt anything?

Vincent Van Gogh

It is true that every day has its own evil, and its good too. But how difficult must life be, especially farther on when the evil of each day increases as far as worldly things go, if it is not strengthened and comforted by faith. And in Christ all worldly things may become better, and, as it were, sanctified. Theo, woe is me if I do not preach the Gospel; if I did not aim at that and possess faith and hope in Christ, it would be bad for me indeed, but no I have some courage.

Vincent Van Gogh

For my part I know nothing with any certainty, but the sight of the stars makes me dream.

Vincent Van Gogh

I have... a terrible need... shall I say the word?... of religion. Then I go out at night and paint the stars.

Vincent Van Gogh

How can I be useful, of what service can I be? There is something inside me, what can it be?

Vincent Van Gogh

Chapter 22

William James Quotes

Faith means belief in something concerning which doubt is theoretically possible.

William James

If you care enough for a result, you will most certainly attain it.

William James

Man can alter his life by altering his thinking.

William James

The art of being wise is knowing what to overlook.

William James

Begin to be now what you will be hereafter.

William James

Belief creates the actual fact.

William James

Believe that life is worth living and your belief will help create the fact.

William James

Common sense and a sense of humour are the same thing, moving at different speeds. A sense of humour is just common sense, dancing.

William James

Compared to what we ought to be, we are half awake.

William James

Could the young but realize how soon they will become mere walking bundles of habits, they would give more heed to their conduct while in the plastic state.

William James

Do something every day for no other reason than you would rather not do it, so that when the hour of dire need draws nigh, it may find you not unnerved and untrained to stand the test.

William James

Every man who possibly can should force himself to a holiday of a full month in a year, whether he feels like taking it or not.

William James

Whenever you're in conflict with someone, there is one factor that can make the difference between damaging your relationship and deepening it. That factor is attitude.

William James

Action may not always bring happiness, but there is no happiness without action.

William James

The greatest discovery of any generation is that a human can alter his life by altering his attitude.

William James

A great many people think they are thinking when they are merely rearranging their prejudices.

William James

The greatest weapon against stress is our ability to choose one thought over another.

William James

Seek out that particular mental attribute which makes you feel most deeply and vitally alive, along with which comes the inner voice which says, 'This is the real me,' and when you have found that attitude, follow it.

William James

Wherever you are, it is your friends who make your world.

William James

Chapter 23

William Somerset Maugham Quotes

The love that lasts the longest is the love that is never returned.

William Somerset Maugham

Have common sense and stick to the point.

William Somerset Maugham

Tradition is a guide and not a jailer.

William Somerset Maugham

People ask for criticism, but they only want praise.

William Somerset Maugham

I can imagine no more comfortable frame of mind for the conduct of life than a humorous resignation.

William Somerset Maugham

I made up my mind long ago that life was too short to do anything for myself that I could pay others to do for me.

William Somerset Maugham

I would sooner read a time-table or a catalogue than nothing at all. They are much more entertaining than half the novels that are written.

William Somerset Maugham

I'll give you my opinion of the human race in a nutshell; their heart's in the right place, but their head is a thoroughly inefficient organ.

William Somerset Maugham

If a nation values anything more than freedom, it will lose its freedom, and the irony of it is that if it is comfort or money that it values more, it will lose that too.

William Somerset Maugham

If you don't change your beliefs, your life will be like this forever. Is that good news?

William Somerset Maugham

Do you know that conversation is one of the greatest pleasures in life? But it wants leisure.

William Somerset Maugham

Now the world in general doesn't know what to make of originality; it is startled out of its comfortable habits of thought, and its first reaction is one of anger.

William Somerset Maugham

Excess on occasion is exhilarating. It prevents moderation from acquiring the deadening effect of a habit.

William Somerset Maugham

It's a funny thing about life; if you refuse to accept anything but the best, you very often get it.

William Somerset Maugham

An unfortunate thing about this world is that the good habits are much easier to give up than the bad ones.

William Somerset Maugham

At a dinner party one should eat wisely but not too well, and talk well but not too wisely.

William Somerset Maugham

Beauty is an ecstasy; it is as simple as hunger. There is really nothing to be said about it. It is like the perfume of a rose: you can smell it and that is all.

William Somerset Maugham

Considering how foolishly people act and how pleasantly they prattle, perhaps it would be better for the world if they talked more and did less.

William Somerset Maugham

Money is like a sixth sense - and you can't make use of the other five without it.

William Somerset Maugham

Chapter 24

Zig Ziglar Quotes

You are the only person on earth who can use your ability.

Zig Ziglar

When you do more than what you are paid for, you will soon be paid more for what you do.

Zig Ziglar

The most important persuasion tool you have in your entire arsenal is integrity.

Zig Ziglar

It was character that got us out of bed, commitment that moved us into action and discipline that enabled us to follow through.

Zig Ziglar

Failure is a detour, not a deadend street.

Zig Ziglar

Happiness is not pleasure, it's victory.

Zig Ziglar

Positive thinking will let you do everything better than negative thinking will.

Zig Ziglar

Success means doing the best we can with what we have. Success is the doing, not the getting; in the trying, not the triumph. Success is a personal standard, reaching for the highest that is in us, becoming all that we can be.

Zig Ziglar

Your attitude, not your aptitude, will determine your altitude.

Zig Ziglar

If you want to reach a goal, you must 'see the reaching' in your own mind before you actually arrive at your goal.

Mae West

It takes two to get one in trouble.

Mae West

All discarded lovers should be given a second chance, but with somebody else.

Mae West

If I asked for a cup of coffee, someone would search for the double meaning.

Is that a banana in your pocket, or are you just happy to see me?

Mae West

When women go wrong, men go right after them.

Chapter 26

Eva Mendes Quotes

Women now, we can juggle a lot of things. We're not just girlfriends or love interests. So that's really great to not just make her the chick and give her something to do.

Eva Mendes

I don't usually lose my temper, but if I get angry, it's true - I'm scary.

Eva Mendes

I just want to be known for things other than my sexuality.

Eva Mendes

I don't go to premieres. I attend film openings I'm in, and that's about it. Fame and celebrity doesn't matter to me. The longevity of my career does.

Eve Mendes

I always make a point of eating before I go to a party. I go with a full stomach of fish or vegetables or whatever I have at home that is good. So when I get there I probably have a little nosh on something, but it is not going to be disastrous.

Eva Mendes

The celebrity world can be so ugly. Everyone seems to have slept with everyone else and it's some sort of strange weird cycle. I don't want to get into that.

Eva Mendes

Fame is for the insecure.

Eva Mendes

I feel I'll take on the responsibility of showing the world a whole different kind of Latin woman.

Eva Mendes

It's fun to be a woman. It's fun to flirt and wear makeup and have boobs.

Eva Mendes

I'm obsessed with Keira Knightley. I think that she's just got it down. She takes chances, she's edgy, but she's always a lady. She is so unconventionally beautiful.

Eva Mendes

I wanted to be a nun when I was very little. Well, that was until my sister told me that they don't get paid. Then I went off that idea quickly.

Eva Mendes

I'm a modern woman in the sense of I take care of myself, I'm fiercely independent, and I'm really ambitious. Yet I have these old-school thoughts in my mind.

Eva Mendes

We seem okay with violence, but nudity we race to criticize and censor.

Eva Mendes

I've never had a problem with nudity, but I don't put it out there without a reason.

Eva Mendes

I don't know if I want children, but the idea of marriage sounds very boring to me. I have to be honest. And no disrespect, because I think marriage is a beautiful institution. I am extremely romantic but I think there is that little rebel inside me that is anti-establishment. It's just one more fun thing I can rebel against.

Eva Mendes

When people write lies about you, and you know that they are lies, that means that they don't know the truth.

Eva Mendes

Bloody Mary. I used to go looking for her when I was little, in the bathroom with the lights off, and then I'd swear to my friends that she came and attacked me.

Eva Mendes

When I put weight on, it doesn't go to my ass or thighs. It goes straight to my boobs.

Eva Mendes

Music is very important to me. I constantly go and see live bands when I'm not working. For a while I hoped to manage a band but I just don't have the time. Maybe one day I will.

Eva Mendes

Most women aren't as shallow as men — not as visually shallow. Most of my girlfriends do have qualities they look for in men which are a priority though, like a job! I like a guy who is taller than me, so I can wear heels — I'm not particularly tall. I also like a man to bathe once in a while, but even that I'm not that insistent on — I do like a bad boy, I like a rock 'n' roller.

Eva Mendes

Chapter 27

Suze Orman Quotes

Many people are in the dark when it comes to money, and I'm going to turn on the lights.

Suze Orman

Many of the good things would never have happened if the bad events hadn't happened first.

Suze Orman

Just because one of you earns the pay check doesn't mean that person should lord over how the money is handled.

Suze Orman

In all realms of life it takes courage to stretch your limits, express your power, and fulfil your potential... it's no different in the financial realm.

Suze Orman

Opposites may attract, but I wouldn't put my money on a relationship of financial opposites.

Suze Orman

Financial freedom is our birthright, rather than the slave walk of the Monday through Friday grind.

Suze Orman

A big part of financial freedom is having your heart and mind free from worry about the what-ifs of life.

Suze Orman

I'm in a relationship with life. My life is just out there. I'm on the road every day. I love my life.

Suze Orman

Be careful not to let the money you spend become a badge of your success.

Suze Orman

Owning a home is a keystone of wealth... both financial affluence and emotional security.

Suze Orman

It's the impulse to give that puts you in touch with the best part of yourself.

Suze Orman

When you undervalue who you are, the world will undervalue what you do and vice versa.

Suze Orman

If you have debt I'm willing to bet that general clutter is a problem for you too.

Suze Orman

People first, then money, then things

Suze Orman

Each cent you apply toward diminishing your debt replenishes you.

Suze Orman

They got married, they got divorced, and half their money goes out the window.

Suze Orman

True generosity must benefit both parties. No woman can control her destiny if she doesn't give to herself as much as she gives of herself.

Suze Orman

We never had it as rough as the kids have it today. Look at the price of a gallon of gas or a piece of real estate or a college education.

Suze Orman

Your financial life is like a garden. If you tend a garden carefully, nourishing the flowers, pruning, and weeding, it's going to be a lot more beautiful than if you just water it half-heartedly now and then.

Suze Orman

Writing is hard work, not magic. It begins with deciding why you are writing and whom you are writing for. What is your intent? What do you want the reader to get out of it? What do you want to get out of it. It's also about making a serious time commitment and getting the project done.

Suze Orman

Drinking long-term is a lot worse than doing heroin. Alcohol's a real poison.

Amy Winehouse

I cheated myself, like I knew I would. I told you I was trouble. You know that I'm no good.

Amy Winehouse

We only said goodbye with words, I died a hundred times. You go back to her and I go back to... I go back to us.

Amy Winehouse

I can't help you if you won't help yourself.

Amy Winehouse

If you act like you know what you're doing, you can do anything you want.

Amy Winehouse

I don't think your ability to fight has anything to do with how big you are. It's to do with how much anger is in you.

Amy Winehouse

It's where you at, not where you been.

Amy Winehouse

A little bit of anorexia, a little bit of bulimia. I'm not totally okay now but I don't think any woman is.

Amy Winehouse

My justification is that most people my age spend a lot of time thinking about what they're going to do for the next five or ten years. The time they spend thinking about their life, I just spend drinking.

Amy Winehouse

I say things in songs that I wouldn't even admit to myself looking in the mirror.

Amy Winehouse

Life happens. There is no point in being upset or down about things you can't control or change.

Amy Winehouse

I know I'm talented, but I wasn't put here to sing. I was put here to be a wife and a mum and look after my family. I love what I do, but it's not where it begins and ends.

Amy Winehouse

Robert Redford

He's meant to be that classic Homer, Ulysses, Hercules - a character who goes out or has some gift of some kind. He goes on a journey of discovery and part of that is falling into darkness - the temptations of life.

Robert Redford

I can't think of anything outside of having the gift yourself and creating yourself. I can't think of the next better thing to do than being able to put it back. Creative expression, I think, is vital to the success of any society. ... A society without art will die.

Robert Redford

Chapter 31

Saint Patrick Quotes

If I have any worth, it is to live my life for God so as to teach these peoples; even though some of them still look down on me.

Saint Patrick

I am Patrick, a sinner, most uncultivated and least of all the faithful and despised in the eyes of many.

Saint Patrick

Christ beside me, Christ before me, Christ behind me, Christ within me, Christ beneath me, Christ above me.

Saint Patrick

May the strength of God pilot us, may the wisdom of God instruct us, may the hand of God protect us, may the word of God direct us. Be always ours this day and for evermore.

Saint Patrick

Before I was humiliated I was like a stone that lies in deep mud, and he who is mighty came and in his compassion raised me up and exalted me very high and placed me on the top of the wall.

Saint Patrick

I am imperfect in many things, nevertheless I want my brethren and kinsfolk to know my nature so that they may be able to perceive my soul's desire.

Saint Patrick

The Lord opened the understanding of my unbelieving heart, so that I should recall my sins.

Saint Patrick

I grieve for you, how I mourn for you, who are so very dear to me, but again I can rejoice within my heart, not for nothing have I laboured, neither has my exile been in vain.

Saint Patrick

If I be worthy, I live for my God to teach the heathen, even though they may despise me.

Saint Patrick

No one should ever say that it was my ignorance if I did or showed forth anything however small according to God's good pleasure; but let this be your conclusion and let it so be thought, that - as is the perfect truth - it was the gift of God.

Saint Patrick

I am at a loss to know whether to weep more for those they killed or those that are captured: or indeed for these men themselves whom the devil has taken fast for his slaves.

Saint Patrick

I do not overreach myself, for I too have my part to play with those whom he has called to himself and predestined to teach the gospel in the midst of considerable persecutions as far as the ends of the earth

Saint Patrick

Therefore be amazed, you great and small who fear God, and you men of God, eloquent speakers, listen and contemplate.

Saint Patrick

It would take too long to discuss or argue every single case, or to sift through the whole of the Law for precise witness against such greed. Sufficient to say, greed is a deadly deed. You shall not covet your neighbour's goods. You shall not murder.

Saint Patrick

Now you, Coroticus — and your gangsters, rebels all against Christ, now where do you see yourselves? You gave away girls like prizes: not yet women, but baptized. All for some petty temporal gain that will pass in the very next instant.

Saint Patrick

My chief request is that anyone who is a servant of God be ready and willing, to carry this letter forward; may it never be hidden or stolen by anyone, but rather, may it be read aloud before the whole people — Yes, even when Coroticus himself is present.

Saint Patrick

I cannot keep silent, nor would it be proper, so many favours and graces has the Lord deigned to bestow on me in the land of my captivity.

Saint Patrick

Can it be out of the kindness of my heart that I carry out such a labour of mercy on a people who once captured me when they wrecked my father's house and carried off his servants?

Saint Patrick

What is more, let anyone laugh and taunt if he so wishes. I am not keeping silent, nor am I hiding the signs and wonders that were shown to me by the Lord many years before they happened, [he] who knew everything, even before the beginning of time.

Saint Patrick

That which I have set out in Latin is not my words but the words of God and of apostles and prophets, who of course have never lied. He who believes shall be saved, but he who does not believe shall be damned. God has spoken.

Saint Patrick
